

# 5 Reasons

## *A.S.A.P. Technology™*

is the **smarter** way to prepare for the CPA Exam

With the only truly adaptive technology, Surgent's students can be exam ready **4x faster** than other courses.

1

### Experience Hyper Personalization

Our AI-enabled software, **A.S.A.P. Technology™**, generates a hyper-personalized study plan based on your knowledge of exam content—focusing on the information you don't know!

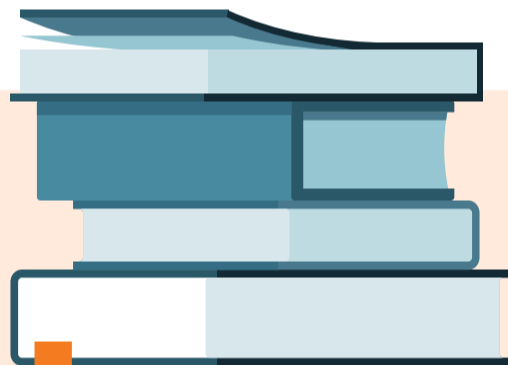

2

### Pass the First Time

Our students achieve pass rates nearly **40 points** higher than the national average.

3

### Study Less

Achieve higher pass rates while studying as much as **80% less** than what other courses would require—thanks to our unique ability to customize the course to you.

4

### Sit With Confidence

Our ReadySCORE feature predicts actual exam scores with **99% accuracy**—so you'll know if you're ready to pass the CPA Exam... or if you need a few more study hours.

5

### Choose Wisely

We've been called the **Top CPA Prep Course of 2020**, named **Product of the Year**, and won several innovation awards.

Try today **for free** to see how we can get on the fast track to becoming a CPA.
